Writ Petition No.18445 of 2005

ORDER:

This writ petition is filed alleging that though the first respondent directed the second respondent to consider the representation of the petitioner for reduction of interest from 14% to 8.5% charged on the House Building Loan sanctioned to the petitioner, the second respondent did not consider the same.

According to the petitioner, he availed the House Building Loan from the second respondent. At the time of advancing the said loan, the interest was 14%. However, in respect of similarly placed employees of the second respondent, the interest charged on the House Building Loan was reduced from 14% to 8.5%. Therefore, the petitioner made a representation to the first respondent and in fact the first respondent directed the second respondent to consider the claim of the petitioner. However, no action has been taken by the second respondent so far. Therefore, the petitioner has come up with the present writ petition.

Heard the learned counsel for the petitioner and the learned Standing Counsel appearing for the respondents.

As the grievance of the petitioner is non-consideration and non-disposal of his representation in terms of the directions of the first respondent for reduction of interest that was charged on the House Building Loan and as he has already retired from service under VRS scheme, it is appropriate for the second respondent to consider the representation of the petitioner and pass appropriate orders expeditiously, preferably within a period of four weeks from the date of receipt of a copy of this order.

The writ petition is accordingly disposed of. No costs.
